

# Intelligent IP Hemisphere Camera

## Main Feature

- ※ Support 1080P/720P video resolution
- ※ Maximum support 2 channels of 1920×1080@30 frame stream at the same time
- ※ Support encoding H.265 compatible with H.264
- ※ Support electric zoom, optional 3.6~10mm
- ※ Support audio/alarm input and output
- ※ Embedded face recognition algorithm or detection of electric vehicle in the elevator algorithm
- ※ Support Tsinglink iCVS2.0 cloud platform
- ※ Support iCAP / Onvif protocol

Intelligent Hemisphere IP Camera is an infrared waterproof intelligent terminal for indoor and outdoor fixed points. The product can improve the user's real-time visual intelligent monitoring and management ability, has HD video transmission, intelligent detection of electric vehicles in elevator, face detection and recognition, voice broadcast, alarm input and output and other functions, can be widely used in intelligent construction site, intelligent community, intelligent park, substation, hotel, office building and other occasions, and can provide customized services for the development of intelligent algorithms for application scenarios.

## Application Industry

## Product Parameters

Model		TSC660-B
Camera	Sensor	1/1.8" Progressive Scan CMOS
	Lens	Support electric focus, lens type 3.6~10mm
Video	Compression Standard	H.265, compatible with H.264
	Resolution	1080P/720P/VGA etc.
	Frame Ratio	1~30 fps adjustable
	Bit Stream	Support dual stream
Capture	Format	JPEG
	Resolution	1080P/720P/VGA etc.
	Overlay	Support overlay time, name information
Audio	Input	One channel audio input, AV interface or built-in MIC
	Output	One channel AV interface audio output
Network	Ethernet	RJ45 waterproof pigtail cable 10M / 100M adaptive Ethernet port
Alarm	Input	One channel alarm input
	Output	One channel alarm output
Storage	TF Card	Maximum support 128G TF card
Serial Port	RS485	One channel RS485
Power Supply	Input	DC12V
	Interface	DC5.5
	POE Power Supply	Support
Other	Installation Method	Wall, ceiling installation
	Size	Φ137.3×H106mm
	Working Temperature	-10°C~50°C
	Working Humidity	0%~85%

## Product Model

Model	Description
TSC660-B-1H-IZ3	HD infrared waterproof camera, 3.6~10mm electric lens
